Tuesday May 17th
- Yr 7 Immunisations
- ICAS Digital Technologies

Wednesday 18th May
- NPD Cross Country

Tuesday 31st May
- Science Competition

Friday 3rd June
- Intermediate Sport

Monday 6th - Thursday 16th June
- Yrs 10 and 11 Exams

Tuesday 7th June
- GAT
- Yr 7 Anti Bullying Presentations

Monday 13th June
- Queen’s Birthday Holiday

Friday 17th June
- Report Writing Day - Student Free
- Yrs 11 and 12 Formal

Monday 20th June
- Semester 2 Rollover
- Yr 7 Sport

Wednesday 22nd June
- Yr 8 Sport

Thursday 23rd June
- Keys Please

Friday 24th June
- Last Day Term 2

Principal’s Report

It has been a very busy term since our last newsletter with many varied activities taking place around the College.

Senior School Redevelopment

Planning for the beginning of construction is still taking place with the final design about to be approved. After this, we will put the project out to tender for construction. During the last holidays, we had three relocatables removed to accommodate the new building.

The centre will include five classrooms, a staff office, careers room, two interview spaces, new toilets, a kitchenette, new locker bays and courtyard area.

---

WANTED... PLEASE HELP

We desperately need coat hangers for our costumes... so if you have any spare please drop off at office or library. Also we are in need of empty cans of hairspray so if you can oblige it would be greatly appreciated!

Thanks

Hairspray Production Team
Principal’s Report Continued......

College Production ‘Hairspray’
The rehearsals for ‘Hairspray’ are continuing with over one hundred and forty students memorising lines and dance routines, practicing music scores and making costumes and sets. I am very impressed by what I have seen so far, it looks as though it will be a great night entertainment for all the family. Tickets go on sale on Wednesday 17th May, so do not miss out on seeing our many talented students. There are details on how to book your tickets further on in this newsletter.

ANZAC Day
Recently the Year 7 level Captains and Vice Captains represented the College at the Seafood RSL Schools’ ANZAC Day ceremony. The College Band played the anthems of Australia and New Zealand and provided entertainment before the ceremony started. Many people commented on their professionalism and the quality of their performance. Our Year 7 Captains laid a wreath on the cenotaph. The ceremony honoured those men who fought so bravely for our countries.

NAPLAN
Our Year 7 and 9 students have been involved in NAPLAN (National Assessment Program Literacy and Numeracy) this week. This is an annual assessment for students in Years 3, 5, 7 and 9.

NAPLAN tests the sorts of skills that are essential for every child to progress through school life. Parents should be aware that whilst NAPLAN provides us with valuable information, it is only one of the many different ways that we collect data to gauge our students’ progress.

Primary School Visits
In recent weeks we hosted a transition day for over six hundred Grade 6 students who are in the process of deciding on a secondary school for 2017. On the day the students took part on range of subjects, many not offered in the primary setting. It was a great day enjoyed by all. Thankyou to our transition co-ordinator Mrs Ash for all her hard work.

School Strategic Plan
All schools operate from a strategic plan which sets the goals and directions for four years. Our present plan 2013-2016 finishes this year, therefore we are in the process of analysing our achievements against our goals and areas that need to be addressed in the future. For our evaluation we are getting feedback from the staff and the students. Parents members of the College Council are also discussing future directions. To gain as much feedback as possible we will be putting a survey online. I hope that all parents will complete the survey so that we can set future directions for the College. You will receive an email when the survey is available online.

Student Achievement
Congratulations to Brent Chalmers of Year 10 who has been awarded the prestigious Queens Scout Award. Well done Brent!
Principal’s Report Continued......

Scholarship Interviews
This week Miss Lang and I interviewed Grade 6 students applying for scholarships at the College. We were both amazed by the quality of the candidates and the many varied activities that they are engaged in. All students spoke with confidence and are a credit to their parents and the primary schools they attend.

The scholarships were awarded to:
The Arts -
Maddison Bowly Patterson Lakes PS
Regan Thurlow Patterson Lakes PS
Bridie Davies Seafood North PS

Academic -
Katerina Rojc Rowellyn Park PS
Talzyn Roberts Patterson Lakes PS
Maisie Griffiths Bonbeach PS
Ethan Borg Belvedere Park PS

Leadership -
Joshua Bowman Patterson Lakes PS
Claire Boyle Carrum PS

Sport -
Rhys McKenna Patterson Lakes PS
Charlotte Barnes Rowellyn Park PS
Hayden Skinner Patterson Lakes PS

Congratulations to all students.

National Volunteers Week
This week celebrates the generous contribution of our nation’s volunteers in areas such as the CFA, Coast Guard, Senior Citizens groups, Rotary, Lions, Men’s Sheds, Lifesaving Clubs, SES etc. To give something back to volunteers a dinner was held at the Chelsea Hub.

I would like to thank six of our VCAL students along with Mr Butler who prepared and served the food for one hundred and twenty volunteers. The students worked well, conducted themselves with maturity when dealing with people and received high praise from all on the night. Congratulations on a job well done!

Mrs Maree Vinocuroff, College Principal

FOR 'HAIRSPRAY' WE NEED EMPTY HAIRSPRAY CANS!!
If any parent has contacts with a hairdresser, we would be delighted if we could have used hairspray cans. Please leave cans at the office, directed to Ms Tucker or Mrs Huggard. Thankyou

Camps, Sports & Excursion Fund - CSEF

Closing Date: June 3rd 2016

Families holding a valid means-tested concession card or temporary foster parents are eligible to apply.

Application forms are available from the General Office or may be downloaded from:

The College Band will be performing at this function

Maths Domain News

The ICAS Mathematics Competition will be run at school on Tuesday 16th August 2016.

The competition is an initiative of the Educational Testing Centre of the University of New South Wales and assesses mathematical skills in a range of contexts in the areas of Number and Arithmetic, Algebra and Patterns, Measures and Units, Space and Geometry, and Chance and Data.

More information about the competition can be found at UNSW ICAS’ website: http://www.eaa.unsw.edu.au

Every student entering ICAS receives a certificate acknowledging participation and a detailed results letter indicating solutions and average state marks. Students are eligible for awards including High Distinction, Distinction and Credit certificates which can make useful documents for a student portfolio.

As in previous years, all students in the EXCEL classes are enrolled (and have paid) but we strongly encourage all keen mathematics students to enter this competition as it is an opportunity for them to gain a measure of their own achievement in an external assessment situation.

As part of your preparation, past competition papers can be obtained from Ms McDonald (B3 staffroom).

Year 7 to 12 students who wish to enter this competition and are not in an E form need to complete the form below and return it to the General Office with their payment of the entry fee of $8.80 by May 31st 2016

Kathryn McDonald  
Maths Domain Leader

University of New South Wales - ICAS MATHS COMPETITION  
(Only to be completed by students in Years 7 to 12 that are not in an E class)

Student’s Name: ………………………………………………………………… Form: ………
(please print)

Mathematics Teacher: …………………………………………………

I wish to enter the ICAS Maths Competition on Tuesday 16 August 2016  
Completed form and payment of $8.80 is to be received at the General Office by Tuesday May 31st, 2016.

Careers Expo @ Patto

Thinking about going to University after Year 12?
Starting Monday 16th we have been fortunate to book 4 different Universities to come and give a presentation to our Year 10-12 students during lunchtimes in the Library.

Monday - ACU
Thursday - Victoria University
Wednesday - RMIT
Friday - Swinburne

Come along and hear what University is all about, what each University specialises in and what you need to do NOW to make sure University is an option for you.
Presentation starts at 12:45. Places will be limited.
See Amy for more information

Careers Expo @ Patto
16th to 20th May
12:30 in the Library...all welcome

Come along and learn what is on offer at the following Universities....in your lunchtime!

Monday

Wednesday

Thursday

Friday
Patterson River Secondary College presents

**Hairspray**

**THE BROADWAY MUSICAL**

**Performance Dates:**
THURSDAY 21\(^{st}\), FRIDAY 22\(^{nd}\) AND SATURDAY 23\(^{rd}\) OF JULY, 7PM

Hairspray the musical will guaranteed to have audience shaking and shimmying along with the music. The Performing Arts teachers and students have been hard at work since the start of the year, during lunchtimes and after school, to try and bring the Broadway musical to life. With a cast of 120, a band and production team all set to take audiences back to the groovy 60s.

We have had generous support from the local community to bring the production to stage with the Tony award winning musical requiring a hefty licensing fee. Many of the cast members have sold raffle tickets, sold lollies and cans at school events to raise money for the licensing fee and royalties. So thank you for your support.

Hairspray is set in the 1962, and pleasantly plump Baltimore teen Tracy Turnblad played by Caitlyn Youngson has only one desire - to be on television dancing on the popular Corny Collins Show. When her dream comes true, Tracy is transformed from social outcast to sudden star, but she must use her newfound power to vanquish the reigning Teen Queen, win the affections of heartthrob Link Larkin played by Lachlan Ball and integrate a television network - all without denting her do! It is a tale of love, dance and tolerance that follows Tracy and her cool dance partner Link, as the two teens rally against racism in their community.

**PERFORMANCE DATES AND TIMES**
Opening Night for ‘Hairspray’ is Thursday 21\(^{st}\) of July at 7.00pm, followed by performances on Friday 22\(^{nd}\) July and Saturday 23\(^{rd}\) July at 7.00pm.

There will also be two special matinee performances on the Thursday and Friday for pensioners and Primary School students from our local feeder schools.

**TICKETS**
Tickets will be released 9am Tuesday 17\(^{th}\) of May. You can purchase tickets via the PRSC production website: http://www.prscperformingarts.weebly.com/ or cash payments can be made in M01 through Mrs Witteveen.

- Adult tickets $20
- Children/Concession $15
- Family $55

Please support the show and get in early to buy your tickets, as shows will sell out quickly! We have finalised the cast and are pleased to have such a talented group of students. We were quite overwhelmed with the ‘auditionees’ and as a result have a fantastic cast of Year 7 to Year 12 students.

So get in quickly if you would like to see our talented students take the stage to perform this Broadway’s musical comedy phenomenon, that inspired a major motion picture and won 8 Tony Awards, including Best Musical.
Reminder for cast members:

Production Movie Night is Monday 16th of May, 5:30pm-8pm. For more details, please contact Mrs. Wittevran.

Monday 23rd of May is an all day rehearsal. Student are required to wear their production t-shirts. There will still be a rehearsal until 5pm that day however we will be trying on costumes, organising bows etc.

- Cast photos for program will be taken Monday 23rd of May.
- Monday 27th June is our school holiday rehearsal from 9am-3pm.
- Tuesday 19th July - Tech Rehearsal
- Thursday 21st and Friday 22nd July - Primary School matinee performances

So prepare to take a journey back to the swingin' 60's when Patterson River Secondary College presents, HAIRSPRAY. This major musical event is not to be missed!

CAN YOU HELP US WITH PRODUCTION PROPS?
If you have any of the following items that you are willing to donate to the College, please contact tucker.hannah.e@edumail.vic.gov.au or simply leave the item at the general office.

- Coat hangers
- Multiple cans of hairspray/cooking spray cans
- Single bed and bedding
- 50s-60s clothing
- Clothing racks
- Plastic food
- Large thick rope
- Bar stool on wheels
- Old chrome iron & ironing board
- 60s telephone
- Large fold out tables
- Old chairs

Sport Report

Senior Boys Badminton
The senior boys badminton team played in the Northern Peninsula Round Robin at Patterson River SC recently. The boys played really well, tried desperately to use the home court advantage but were eventually beaten in the deciding rubber against a more experienced Frankston HS team.

The team, consisting of Andrew Cook, Rhys Walker, Josh Taylor, Chris Simpson, Ryan Delbridge and Conor Boyd, tried hard, played well and exhibited excellent sportsmanship
‘Girls Business’

Throughout the year, nominated Year 8 girls will have the opportunity to participate in the wellbeing program entitled ‘Girls Business’.

This program runs for 5 weeks and targets students’ social and emotional learning through small group work and discussion based learning activities. The aim of program is to increase students’ ability to manage themselves, develop resilience, relate to others and build a sense of self-worth.

The program will also be co-facilitated by two Year 12 VCAL students, Alannah Connelly and Gemma Horn. If you would like any further information about this program or would like to nominate your daughter, please contact Kelly Maxwell (Student Welfare Officer) at the College.

ANZAC Service

Music students from the College Stage Band were delighted to be invited back to the Seaford RSL recently, to perform at the Annual School Anzac Day Service.

This annual event brings together more than a dozen primary schools from the local area as well as ex-servicemen and women and local members of Parliament to pay their respects to the sacrifices made during World War One.

Our students provided the pre-service entertainment as well as accompaniment for the Australian and New Zealand national anthems, alongside the Kananook Primary School choir. The weather was kind and the band rocked, we look forward to doing it again next year.
**PE101 and PE 200 Yoga and Pilates**

Students in Pe 200 and Pe 101 were introduced to a combination of Yoga and Pilates during late April. The students were taken through a routine that included poses requiring flexibility, balance and muscular endurance. The students really enjoyed the session and hopefully, some of them will explore this type of fitness regime in the future.

**Year 12 Psychology Excursion**

On Friday the 18th March, the Year 12 Psychology students attended the sleep education program at the Epworth Freemasons Hospital in East Melbourne. During the program, students consolidated their understanding of curriculum topics related to sleep through discussions and well informed presentations. Students were also given the opportunity to observe first-hand how various sleep monitoring devices are used to record a person’s physiological responses during sleep.
Students step into the real world

On Saturday 16th April a major fund raising event for a Bayside teenager, who broke his neck diving off the Black Rock Jetty, was held in Sandringham. His name is Will Murray and a good friend and team mate of my son.

College Band played the anthems of Australia and New Zealand and provided entertainment before the ceremony started. Many people commented

As a friend of the family I offered to help where I could and with some limited video experience in live broadcasting probably “bit off more than I could chew”. I hired the video cameras, vision mixers, monitors, tripods and leads to connect to the 6m x 8 m video screen that was booked for the day.

I asked two students, Ryan Wight and Tristan Clements to help out. I know that they are both budding filmmakers and already very good at their craft. They immediately said yes and with the support of their parents arrived at the venue which was “alive” with the setup of a major event.

Ryan and Tristan were great in taking instructions to set up the cameras and test all the gear. They scouted the venue and stage areas looking for good camera angles and when the large screen arrived Tristan took the lead in liaising with the screen operator to set the cameras up to set the colour balance to match the large screen.

Everything that they shot ended up on the screen for the crowd of over 4000 with close ups of the stage, side stage and the band performers. Everything looked professional including the headphone communication system where we were all linked ensuring the close ups and shots were ready before going to air.

Many thanks to Ryan and Tristan for helping on the day and the Will Murray Foundation have asked me to pass on their gratitude for a job done very well. Well done guys!

John McLoughlin
Year 9 Learning For Life Program

The Learning for Life Program at Year 9 has four different themes. This term we are studying ‘Our Melbourne’. During this term we are learning about the history of Melbourne and part of the program’s curriculum is taking part in city trips. So far, we have taken part in 4 city trips.

The first week we went on a Yarra River cruise. We got to learn about the history of the Yarra and how it helped shape Melbourne to what it is today. We also visited the Turning Basin and did an activity on Sandridge Bridge about immigration from different countries.

The second week our teacher organised a trip around the city for us. We visited the Block Arcade and the Royal Arcade. Our teacher provided us with information about the architecture of the buildings and the architects. The EXCEL class went for a special tour in the Melbourne town hall. We visited the Council Chamber and got to learn about the original flag of Melbourne. We also visited the other rooms in the Melbourne town hall like the Main hall, Swanston Hall, the Yarra room and many more. While we were walking through we would learn about all the different mayors and leaders of Melbourne and about how much Melbourne expanded since the gold rush.

The third week’s city trip was personally one of my favourites. We visited the Old Melbourne Gaol and the EXCEL class got to re-enact the trial of Ned Kelly in the Old Melbourne Gaol’s courtroom. It’s not the original one but it was rebuilt on the same spot. We got given scripts and costumes and we got a rough idea of how the trial would have been like back in the day. Next, we went on a tour in the Old Melbourne Gaol’s cells. The tour guide told us how rough life was for the prisoner’s and what type of crimes they would go to jail for. We got to stand right next to the rope that killed Ned Kelly and we also visited his cell. It was really creepy and weird. The last thing that we did was the watch house experience. The surgeon came and showed us all the cells that are now part of the RMIT university. He talked to us like prisoners and he locked us in cells to experience the ‘jail’ life.

On the last city trip, so far, we went to the Queen Victoria Market and to the State Library. Before we visited those two venues we went to the same court as last city trip and did a court case on sexting called ‘Respect me’. It was about a 16-year-old boy distributing photos of his girlfriend naked. We learnt the amount of crimes he had committed, which were about 7, and how he could be punished. Again, everyone had specific roles and costumes. After that we went to the Queen Victoria Market and did a scavenger’s hunt. We also bought our lunch and ate it in front of the State Library. Next, we entered the State Library and we got to see all the amazing old books and some historical pieces like old texts and weapons. The best part about the library was the top floor where you could see the whole building. It was extremely quiet too, which was something that I enjoyed. The city trips are really fun and a great way to learn about the history of Melbourne. Not only do you get to go for a trip but you also learn valuable information about your city’s history.
