

**PATTERSON RIVER  
SECONDARY COLLEGE**

We have created this list so that families can determine whether or not they might be able to source a second-hand book rather than purchase a new copy. Please be aware that in addition to the hardcopy book, most texts now come with a digital copy and resources. Reactivation requirements for different publishers can be found attached also. Please refer to the ISBN number in the tables to ensure you are purchasing the correct book.
