

**WHOLE SCHOOL CURRICULUM PLAN 2025**

YEAR 7			SEMESTER 1 2025																				
Each period = 50 minutes	Periods per	Subject	1	2	3	4	5	6	7	8	9	10	1	2	3	4	5	6	7	8	9		
Whole year subjects	5	Maths	Number										CAT	Algebra		CAT	Number						
		EXCEL Maths	Number										CAT	Algebra		CAT	Number						
	4	English	Creative Non-fiction: Autobiographies									CAT: Written and Oral		Text Response: <i>Blueback</i>			CAT: Part 1		<i>Blueback</i> continued			CAT: Part 2	
	3	Humanities	History: Concepts and Skills			History: Ancient Greece			CAT: Source Analysis	History: Ancient Greece			CAT: Historical Argument		History: Ancient China				CAT: Research		History: Ancient China		
	3	Science	Science Toolkit						Particle Model				Mixtures			CAT: Separation Challenge		Mixtures	CAT: Mixtures Test	Forces	CAT: Logbook		
	2	German	Introduction to German		Wer ist das?							CAT	Los geht's zur Schule						CAT	Cultural focus			
		Learning Strategies	Diagnostic Testing / Student Profiles		Targeted language instruction and intervention							Progress Review	Targeted writing instruction					Progress Review	Review of writing and literacy interventions				
	2	PE	Striking and Fielding Sports (Cricket, Softball, Baseball and Hockey)										CAT	Funky Fitness								CAT	
	2	Sport	Term 1 Sports (Cricket, Softball, Baseball, Volleyball and Tennis)												Term 2 Sports (Netball, AFL, Badminton and Soccer)								
	2	Art	Front Cover	Elements (Alick Tripoti Drawing)	Printmaking Mono + Form			Observational Drawing		CAT	Painting (Opie)		CAT	Digital landscape		Digital Portraiture		Hilma Af Klint Artist Study / Abstract History					
1	Learning for Me	Getting to know you	Problem solving	School spirit	Friendship	Camps	SWPBs					Wellbeing focus – Six ways of Wellbeing											
Semester long subjects	2	Food Studies	Introduction to Food Studies / Safety and Hygiene / Production		Measurement / Washing up / Equipment / Production			Knife safety / Understanding Recipes / Production		Nutrition and Food Models / Production		CAT: Canteen Analysis	Design process / Production		CAT: Potato Design			Food Waste / Production		Food Labelling / Food Miles / Production			
	2	Drama	Mime: Expressive skills										CAT	Puppetry: making, writing, scripting, presenting								CAT	
	2	Design and Technologies	Intro and Safety		Isometric Drawing Skills		Wooden Box  Ongoing CATs: Design Folio, Product, Evaluation										3D Printing			Ongoing CATs: Design Folio, Product, Evaluation		Laser Cutting	
	2	Music	The elements of music: Theory, Aural and Analysis										CAT	Music Technology			Performance Skills: Solo and Group				CAT		

YEAR 7			SEMESTER 1 2025																			
Each period = 50 minutes	Periods per	Subject	1	2	3	4	5	6	7	8	9	10	1	2	3	4	5	6	7	8	9	
	2	Health	Physical Health						CAT	Mental Health				Social Health		Puberty			CAT	Consent and Respectful Relationship		
	2	Digital Technologies	Getting to know the school network		Digital Footprint		Networking			CAT: Home Network Map		Coding					CAT: Coding Application			Home Holiday Research and Presentation		

- Whole cohort activities:
- Term 1, Week 5 – Year 7 Camp Week
  - Term 1, Week 7 – Labour Day Holiday, House Athletics, NAPLAN Online

YEAR 7			SEMESTER 2 2025																		
Each period = 50 minutes	Periods per week	Subject	Sem change over 1	Sem change over 2	1	2	3	4	5	6	7	8	9	1	2	3	4	5	6	7	
Whole year subjects	5	Maths	Number	CAT	Statistics		CAT	Space			CAT	Measurement			CAT	Algebra				CAT	
		EXCEL Maths	Number	CAT	Statistics		CAT	Space			CAT	Measurement			CAT	Algebra				CAT	
	4	English	Imaginative writing				CAT	Persuasive Oral						CAT	Film as Text				CAT		
	3	Humanities	Civics & Citizenship: Social Cohesion			CAT: Extended Response	Geography: Liveability					CAT: Liveability		Geography: Water				CAT: Water in our area			
	3	Science	Forces			CAT: Friction	Forces	Classification				CAT: Classification Test	Interactions between organisms				Water	CAT: Logbook			
	2	German	Cultural focus		Hobbys machen Spaß!							CAT	Revision / Cultural focus	Meine Familie, deine Familie				CAT	Cultural focus		
		Learning Strategies	Targeted language skills and intervention						Progress Review		Targeted writing intervention and response to progress review						Semester Progress Alert support		Connecting Literacy		
	2	PE	Invasion Sports (Basketball, Netball, Soccer and AFL)											CAT	Net Wall Sports (Volleyball, Badminton, Table Tennis and Bat Tennis)						
	2	Sport	Term 3 Sports (Basketball, Hockey, Futsal and Table Tennis)												Tchoukball						
	2	Art	Ceramics		CAT	Pop Art Can Design				CAT	Mixed Media Botanicals			Movie Poster Digital Design		Collage and Painting					
	1	Learning for Me	Goal setting									Agency in learning			Exploring careers and my future self						

YEAR 7			SEMESTER 2 2025																	
Each period = 50 minutes	Periods per week	Subject	Sem change over 1	Sem change over 2	1	2	3	4	5	6	7	8	9	1	2	3	4	5	6	7
Semester long subjects	2	Food Studies	Introduction to food studies / Safety and hygiene / Production		Bench and kitchen layout / Washing up		Knife safety / Measurement / Using a recipe		Nutrition and food models		CAT: Canteen Analysis		Design Process	Revise Food Safety and Hygiene		CAT: Potato Design Task	Food Waste			
	2	Drama	Introduction to Drama activities		Mime: Expressive Skills							CAT	Puppetry: making, writing, scripting, presenting					CAT		
	2	Design and Technologies	Intro and Safety	Isometric Drawing Skills		Wooden Box  Ongoing CATs: Design Folio, Product, Evaluation										3D Printing  Ongoing CATs: Design Folio, Product, Evaluation		Laser Cutting		
	2	Music	Introduction to Music activities		The elements of music: Theory, Aural and Analysis							CAT	Music Technology		Performance Skills: Solo and Group		CAT			
	2	Health	Physical Health					CAT	Mental Health		Social Health		Puberty		CAT	Consent and Respectful Relationships				
	2	Digital Technologies	Getting to know the school network		Digital Footprint		Networking			CAT: Home Network Map	Coding				CAT: Coding Application		Home Holiday Research and Presentation			

YEAR 8			SEMESTER 1 2025																							
Each period = 50 minutes	Periods per	Subject	Step Up 1	Step Up 2	Step Up 3	1	2	3	4	5	6	7	8	9	10	1	2	3	4	5	6	7	8	9		
Whole year subjects	5	Maths	Number										CAT	Statistics		CAT	Algebra				CAT	Measurement				
		EXCEL Maths	Number										CAT	Statistics		CAT	Algebra				CAT	Measurement				
	4	English	All about me	Creative Writing: <i>Auggie and Me</i>				CAT	Text Response: Auggie and Me			CAT	Informal Oral Presentation				CAT: Oral	Film as Text: <i>Hunt for the Wilderpeople</i>								
	3	Humanities	Business and Economics Entrepreneurs				CAT	History: Medieval Europe								CAT: Source Analysis		History: Feudal Japan						CAT: Historical Inquiry		
	3	Science	Space			Science Toolkit		CAT: Pendulum	Physical and Chemical Change				CAT: Physical and Chemical Change	Sound and Light						CAT: Logbook						
	2	German	Die Klamotten			Revision		Was machst du heute?		Guten Appetit!				CAT	Wir lieben Tiere!				CAT	Cultural focus	Alles Gute Zum Geburtstag					
		Learning Strategies	Learner Profile Review			Diagnostic testing		Word Recognition (Vocab) and Language comprehension						Progress Review		Targeted language and writing intervention				Semester Progress Alert Support		Review				
	2	PE	Minor Games			Striking and Fielding Sports (Cricket, Baseball, Softball, Hockey)								CAT	Fitness							CAT				
	1	Learning for Now	Getting to know you – Class projects			SWPB			Resilience and Emotional intelligence								Strengths		Goal setting				Persona values and attitudes			
Semester long subjects	2	Design and Technologies	Intro and Safety	Straw Bridge Challenge	Orthogonal Drawing		Laser Cut Sign  Ongoing CATs: Design Folio, Product, Evaluation								Metal Articulated Pendant  Ongoing CATs: Design Folio, Product, Evaluation				3D printing							
	2	Music	Beginner Right-Hand Piano and Aural Analysis			Rehearsal for performances Music Elements				Music Technology			CAT: Performance	Aural and Theory						CAT: Aural and Theory Analysis						
	2	Health	Summer Safety			What is Health?		Changes at Puberty		Respectful Relationships		CAT	Consent		Contraception and STI's		Alcohol		Vaping		CAT					
	2	Digital Technologies	Scamwatch			Ongoing CAT: Coding Folio of Tasks										Data Representation and Processing		CAT: Data Processing using Excel Spreadsheets		Project X – E-Waste						
	2	Food Studies	Re-introduction to Food Studies: Practical activities			Eating for Health: Food models						CAT: Application of a food model		Design Process				CAT: Design and production of a food product		Eating for Health: Discretionary food						

YEAR 8			SEMESTER 1 2025																							
Each period = 50 minutes	Periods per	Subject	Step Up 1	Step Up 2	Step Up 3	1	2	3	4	5	6	7	8	9	10	1	2	3	4	5	6	7	8	9		
	2	Art	Front Covers / Space Odessey			Painting				CAT	Ceramics Slab Construction					Australiana Printmaking				CAT	Digital Howard Arkley Houses					
Electives	2	Band	Beginner band songs and performance at award ceremonies			Rehearsal of musical repertoire								CAT: Performance	The elements of music: Aural, theory and analysis							CAT: Aural, theory and analysis				
	2	EXCEL Sport	Fitness and Multi Sports			Beach Volleyball					CAT	3 x 3 Basketball					CAT	Rugby 7s				CAT	Netball			

Students also complete 2 semester long electives in Year 8 in each semester. Elective blocks running in Semester 1 2025 are:

- Ceramics
  - Design Drop: Year 8 Merch Edition
  - Street Art
  - Food with Flair
  - MasterChef
- Coding and Game Development
  - Dance Works
  - Theatresports
  - Passport Sport
  - Sew Cool
- Make it with Timber
  - Retro Metal
  - Creative Writing

Please refer to the Elective table on page xx of this document for the semester long plan for these subjects.

For information on the Year 8 Program, please [click here](#).

YEAR 8			SEMESTER 2 2025																	
Each period = 50 minutes	Periods per week	Subject	Sem change over 1	Sem change over 2	1	2	3	4	5	6	7	8	9	1	2	3	4	5	6	7
Whole year subjects	5	Maths	Measurement	CAT	Probability		CAT	Linear Algebra						CAT	Space				CAT	
		EXCEL Maths	Measurement	CAT	Probability		CAT	Linear Algebra						CAT	Space				CAT	
	4	English	CAT	Text Study: <i>Falling from Grace</i>							CAT	Persuasive Language					CAT: Oral Presentation			
	3	Humanities	Civics & Citizenship: Election campaign			CAT: Campaign		Geography: Landscapes & landforms				CAT: Sacred landforms	Geography: Urbanisation				CAT: Town plan			
	3	Science	Cells			CAT: Cells	Living Systems						CAT: Surviving		Reproduction		Rocks		CAT: Logbook	
	2	German	Alles Gute zum Geburtstag						CAT	Cultural focus	Bei uns zu Hause					CAT	Reflection / Cultural focus			
		Learning Strategies	Language and Literacy Intervention							Progress Review			Targeted Literacy Intervention: Focus on writing							

YEAR 8			SEMESTER 2 2025																		
Each period = 50 minutes	Periods per week	Subject	Sem change over 1	Sem change over 2	1	2	3	4	5	6	7	8	9	1	2	3	4	5	6	7	
	2	PE	Invasion Sports (AFL, Netball, Basketball and Soccer)											CAT	Net and Wall Sports (Volleyball, Badminton, Table Tennis and Bat Tennis)						
	1	Learning for Now	Persona values and attitudes		Goal setting		Six ways of Wellness					RUOK		Six ways of Wellness					Goal setting / Reflection		
Semester long subjects	2	Design and Technologies	Intro and Safet	Orthogonal Drawing	Laser Cut Sign  Ongoing CATs: Design Folio, Product, Evaluation							Metal Articulated Pendant  Ongoing CATs: Design Folio, Product, Evaluation					3D printing				
	2	Music	Beginner Right-Hand Piano and Aural Analysis		Rehearsals for performances Music Elements					Music Technology			CAT: Performance	Aural anjd Theory				CAT: Aural Theory and Analysis			
	2	Health	What is Health?		Changes at Puberty		Respectful Relationships		CAT	Consent, Contraception, STIs			Alcohol		Vaping		CAT				
	2	Digital Technologies	Scamwatch		CAT: Coding Folio of Tasks						Data Representation and Processing			CAT: Data Processing using Excel Spreadsheets		Project X – E-waste					
	2	Food Studies	Re-introduction to Food Studies: Practical activities		Eating for Health: Food models				CAT: Application of a Food Model	Design Process					CAT: Design and Production of a food product						
	2	Art	Front Covers / Space Odyssey		Painting		CAT	Ceramics Slab Construction				Australiana Printmaking			CAT	Digital Howard Arkley Houses					
Electives	2	Band	Rehearsal and performance at awards ceremonies		Rehearsal of musical repertoire for Semester 2 and Spring Concert							CAT: Performance	The elements of music: Aural, theory and analysis for Semester 2				CAT: Aural, theory and analysis				
	2	EXCEL Sport	Netball			CAT	Lacrosse				CAT	Lawn Bowls			CAT	Frisbee					

Elective blocks running in Semester 2 2025 are:

- MasterChef
- Food with Flair
- Ceramics
- Animation
- Street Art
- Retro Metal
- Make it with Timber
- Passport Sport
- German Language and Culture
- Dance Works
- Showtime
- Pirates, Plagues and Prisoners
- STEM Race Cars

Please refer to the Elective table on page 7 of this document for the semester long plan for these subjects.

YEAR 8			SEMESTER BASED ELECTIVES																		
Each period = 50 minutes	Periods per week	Subject	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	
Students complete two electives of their choice each semester	2	MasterChef	Food Presentation / Production	Production / Evaluation					Food Design	CAT: Mexican Mystery Box	Production / Evaluation						Food Design / Production		CAT: Food Production Skills		
	2	Food with Flair	Production Skills										CAT: Pastry Twist	Production Skills						CAT: Food Production Skills	
	2	Ceramics	Pinch pot Animals		Slab Food		Glazing		Under the Sea				Pots: Hand and Wheel Made			Glazing					
					CAT: Ongoing assessment throughout				CAT: Ongoing assessment throughout												
	2	Street Art	What is Street Art? / Front Covers	Zine Task		Paste Up or Sticker Design		Mysterious AC Collage Task		Stencil Making			City excursion	Research task	Independent and Street Art Project						
					CAT: Ongoing assessment throughout																
	2	Animation	Digital Front Cover and GIF Making	Stop Motion					Character Design		Digital Animation and Character Development			Cinemograph							
			CAT: Ongoing assessment throughout																		
	2	Design Drop	Album Art: Discover / Define and Develop / Deliver							Vinyl Record Art			Screen Printing and Merchandise			Logo and Sticker Design					
			CAT: Ongoing assessment throughout																		
	2	Passport Sport	Ultimate Frisbee		Gaelic Football				CAT	Grid Iron			CAT	Korfball		European Handball					
	2	Dance Works	Research and planning / Physical skills	Choreographic Processes – I.S.A.R.E. / Learnt Dance Work (Learning Processes)								Rehearsal, Pre-Performance and Performance Processes			CAT (x 2): Performance	Dance Styles and Perspectives					
	2	Theatresports	Intro to Theatresports: Rules and Team Formation		Theatresport Skills and Activities														CAT: Improvisation		CAT: Reflection
	2	Showtime	Introduction, Research and Planning		Auditions		Performance Development and Creation						Rehearsal, Pre-Performance and Performance Processes			CAT: Performance	CAT: Reflection				
	2	Retro Metal	Copper Bowl					CAT: Copper Bowl			Silver Soldered Ring		CAT: Silver Soldered Ring		Bracelet or Earrings						
2	Make it with Timber	Chopping Board				CAT: Chopping Board					Peg Rack			CAT: Peg Rack							
2	Sew Cool	Soft Toy					CAT: Soft Toy			Basket Weaving			CAT: Basket Weaving			Drawstring Bag					
2	Coding and Game Development	Coding: Microbit and Python										Game Development: Gamemaker and Python						CAT: Develop a Game			
		CAT: Folio of Coding Tasks																			
2	STEM Race Cars	Design Folio						Race Car Challenge													

YEAR 8			SEMESTER BASED ELECTIVES																	
Each period = 50 minutes	Periods per week	Subject	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18
	2	German Language and Culture	Germany (States and Geography)			CAT	German Speakers and Accents		German Film, Poetry and Music		Pronunciation	German Brands and Technology					CAT	German Celebrations		
	2	Creative Writing	Creative Writing: Short stories, Poetry, Comic Strips, Fairy Tales								CAT	Anthology of Writing								CAT
	2	Pirates, Plagues and Prisoners	Pirates				CAT	Plagues					CAT	Prisoners				CAT		

YEAR 9			SEMESTER 1 2025																							
Each period = 50 minutes	Periods per week	Subject	Step Up 1	Step Up 2	Step Up 3	1	2	3	4	5	6	7	8	9	10	1	2	3	4	5	6	7	8	9		
Whole year subjects	5	Maths	Prob.	YEAR 9 CAMP WEEK	Probability			CAT	Algebra						CAT	Statistics		CAT	Linear Algebra					CAT		
		EXCEL Maths	Prob.		Probability			CAT	Algebra						CAT	Statistics		CAT	Linear Algebra					CAT		
	13	Learning for Life	Getting to know you / Camp prep		Expectations	Indigenous Studies: History and Health		CAT: Source Anslysis	Introduction to the City / Health / Text study: <i>Runner / Runner</i> City Trip				CAT: <i>Runner</i> Text Response	Science / Science City Trip		Health	CAT: Science Inquiry	CAT: Health	Critical Thinking Week	History: World War 1, World War 2, Holocaust						
	Year long electives	3	German		Cultural focus	Cultural focus	Revision (7/8)	Darf ich...?					CAT	Cultural focus		der Wochenendausflug				CAT	Macht Sport / Gesundheit					
3		EXCEL Sport	Fitness sports		Fitness sports	Triathlon: Training and Preparation						CAT: Triathlon	Training Principles and Fitness Sports				CAT	Golf					CAT			
3		Learning Strategies	Film: Preteach L4L content		Film: Preteach L4L content	Literacy intervention and Learning for Life support (Science focus)											Literacy intervention and Learning for Life support (Indigenous Australia focus)									

YEAR 9			SEMESTER 2 2025																		
Each period = 50 minutes	Periods per week	Subject	Sem change over 1	Sem change over 2	1	2	3	4	5	6	7	8	9	1	2	3	4	5	6	7	
Whole year subjects	5	Maths	Measurement				CAT	Graphs				CAT	Space				CAT	Exam revision		Exam	
		EXCEL Maths	Measurement				CAT	Graphs				CAT	Space				CAT	Exam revision		Exam	
	13	Learning for Life	Holocaust	CAT: Source Analysis	Pathways / Economics			CAT: Vision Board	Critical Thinking Week	Text study: <i>Sherpa</i> / Mock debate / Health			CAT: <i>Sherpa</i> Persuasive Response	Science / Science Fair		CAT: Science Practical Report	Health / End of Year 9 Celebration		Health Exam		
Year long electives	3	German	Macht Sport / Gesundheit		das bisschen Haushatt					CAT	Revision / Cultural focus			Einkaufen bis zum Umfallen			CAT	Cultural focus			
	3	EXCEL Sport	Rugby Touch 7s			CAT	Muay Thai and Self Defence				Ultimate Frisbee				CAT	Multi Sports					
	3	Learning Strategies	Literacy intervention and Learning for Life support (Persuasive Writing skills focus)											Literacy intervention and Learning for Life support (Health and Portfolio Presentations)							

Students also complete 4 semester long electives in Year 9 in each semester.

Elective blocks running in Semester 1 2025 are:

- Ceramics
  - Creative Dance
  - Forensic Science
  - History’s Fights for Freedom
  - Music Performance and Production
  - Bat and Raquet Sports
  - Product Design and Technologies (Resistant Materials)
  - Systems Engineering (Electronics)
  - Community Leadership Program
- Coding and Drones
  - Digital Design
  - Geography in our Area
  - Guitar
  - Media
  - Boys Physical Education
  - Girls Physical Education
  - Drama
  - Product Design and Technologies (Metal)
- Multicultural Munching
  - Handball Sports
  - Photography
  - Painting and Drawing
  - Individual Fitness
  - Science Extension
  - Product Design and Technologies (Textiles)
  - Eat for Health

Elective blocks running in Semester 2 2025 are:

- Ceramics
  - Digital Art
  - Dance Skills
  - Forensic Science
  - Science Lab Skills
  - History’s Fights for Freedom
  - Supernatural Literature
  - Bat and Raquet Sports
  - Product Design and Technologies (Resistant Materials)
- Systems Engineering (Electronics)
  - Systems Engineering (Robotics)
  - Websites and Gaming
  - Keyboarding and Piano
  - Geography in our Area
  - Guitar
  - Media
  - Boys Physical Education
  - Girls Physical Education
- Product Design and Technologies (Metal)
  - Multicultural Munching
  - Handball Sports
  - Photography
  - Individual Fitness
  - Science Extension
  - Product Design and Technologies (Textiles)
  - Eat for Health
  - Visual Communication Design

For information on the Year 9 Program, please [click here](#).

Please refer to the following Elective table for the semester long plan for these subjects.

YEAR 9			SEMESTER BASED ELECTIVES																		
Each period = 50 minutes	Periods per week	Subject	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	
Students must choose 1 Performing Arts / Visual Arts Elective	3	Drama	Drama activities and character building		Genre, production roles, rehearsal and performance			CAT: Performance Poetry		Story through character		Commedia dell'arte							CAT		
	3	Dance Skills	Research and Planning / Physical Skills		Choreographic Processes – I.S.A.R.E. / Learnt Dance Work (Learning Processes)							Rehearsal, Pre-Performance and Performance Processes				CAT (x 2): Performance		Dance Styles Research		CAT: Dance Styles PPT	
	3	Creative Dance	Research and Planning / Vision Boards		Choreographic Processes – I.S.A.R.E. / Learnt Dance Work (Learning Processes)							Rehearsal, Pre-Performance and Performance Processes				CAT (x 2): Performance		Dance Perspectives		CAT: Written Analysis	
	3	Keyboarding and Piano	Essential Skills: Introduction to Performance / Scales and beginner pieces							CAT: Inspiring Artist		Small Group Performance  CAT: Theory and Composition				Soundrap: Recording and performance		CAT			
	3	Guitar	Essential Skills: Open Chords / Group Performance						CAT: Inspiring Artist and Solo Performance				Moveable Power Chords  CAT: Aural and Theory				CAT: Solo Performance				

YEAR 9			SEMESTER BASED ELECTIVES																		
Each period = 50 minutes	Periods per week	Subject	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	
	3	Music Performance and Production	Composition and Arrangement Using a DAW									CAT	Performance Skills and Technical Production							CAT	
	3	Painting and Drawing	Elements and Principles (Louise Zhang)		Colour Theory		Drawing from Observation		Portraits: Artists Study (x 4) CAT: Ongoing assessment throughout				Painting: Jean-Michel Basquiat CAT: Ongoing assessment throughout				Catch up week		Brent Harris Automatic Art		
	3	Visual Communication Design	One Point Perspective		Isometric Drawing CAT: Ongoing assessment throughout				Elements and Principles CAT: Ongoing assessment throughout				Visual Analysis		Packaging Nets CAT: Ongoing assessment throughout				Evaluation		
	3	Photography	Art Elements and Principles in Photography		Composition / Safety: Rules for Equipment Use		Photograms / Cyanotypes CAT: Ongoing assessment throughout			Treasure Hunt / DSLR		Weird and Wonderful Portraits CAT: Ongoing assessment throughout					Multiplicity Photography			Agoraphobic Traveller	
	3	Ceramics	Pinch pot	Elements and Principles	CAT: Fruit and Vegetable			Tripod Vase CAT: Ongoing assessment throughout					Hermannsburg Potters CAT: Ongoing assessment throughout					On the wheel			
	3	Digital Art	Digital Folio and Front Cover	8 Bit Digital Sticker Design			Digital Hockney Inspired Landscape CAT: Ongoing assessment throughout		Historical Digital Artwork Appropriation CAT: Ongoing assessment throughout				Character Design		Collaborative World Design				Digital portraits		
	3	Media	Media Moments	Production Processes	Special Effects	Stop Motion				Film Production CAT: Ongoing assessment throughout					Media Codes		CAT: Media Analysis			Characters in print	
Students must choose 1 Physical Education Elective	3	Individual Fitness	Intro to Gym	CAT: Safe Gym Usage	Fitness Testing	Group Workout			Boxing	Individual Workout			CAT: Activity Diary	Tabata Workout	DB Workout	Individual Workout	Fitness Testing	Individual Workout	Boxing	Individual Workout	
	3	Handball Sports	Volleyball				CAT: Volleyball	European Handball			Netball			Tchoukball		Basketball			CAT: Be the Coach	CAT: Practical Assessment of Sports	
	3	Bat and Raquet Sports	Badminton			CAT: Badminton	Tennis		CAT: Tennis	Table Tennis			Baseball			CAT: Baseball	Cricket			Pickleball	
	3	Boys Physical Education	Team Sport 1					Team Sport 2			CAT: Game	Gridiron or Leisure		AFL			CAT: Be the Coach		Team Sport 3		CAT: Game Sens

YEAR 9			SEMESTER BASED ELECTIVES																		
Each period = 50 minutes	Periods per week	Subject	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	
										sense									e Net Wall		
	3	Girls Physical Education	Team Sport 1				Team Sport 2			CAT: Game sense	Gridiron or Leisure		AFL			CAT: Be the Coach	Team Sport 3		CAT: Game Sense Net Wall	Team Sport 3	
Students must choose 1 Technologies Elective	3	Multicultural Munching	Intro to MM	Australian History and Indigenous Food		Asian Cuisine		CAT: Convenience vs Homemade Comparison		European Cuisine			South American Cuisine		Design Process		CAT: International Food Design		Food Around the World Summary		
	3	Eat for Health	Intro to EFH Production	Food Models			Design Process		CAT: Healthy Snack	Nutrition across the Lifespan			Diet Related Diseases		CAT: Diet Related Diseases		Allergies and Intolerances		FAD Diets		
	3	Systems Engineering (Electronics)	LED Array		CAT: LED Array		LDR		CAT: LDR		Electronic System					CAT: Electronic System					
	3	Systems Engineering (Robotics)	Robotic Racer				CAT: Robotic Racer		Robotic Tractor				CAT: Robotic Tractor		Clawbot		CAT: Clawbot				
	3	Product Design and Technologies (Resistant Materials)	LED Light Ongoing CATs: Design Folio, Product, Evaluation									Mosaic Ongoing CATs: Design Folio, Product, Evaluation									
	3	Product Design and Technologies (Metal)	Welded Sculpture Ongoing CATs: Design Folio, Product, Evaluation									Pewter Casting Ongoing CATs: Design Folio, Product, Evaluation									
	3	Product Design and Technologies (Textiles)	Embroidery Ongoing CATs: Design Folio, Product, Evaluation							Tote Bag Construction Ongoing CATs: Design Folio, Product, Evaluation						Tote Bag Decoration Ongoing CATs: Design Folio, Product, Evaluation					
	3	Digital Design	Laser Cut Phone Dock Ongoing CATs: Design Folio, Product, Evaluation									3D Printed Cactus Ongoing CATs: Design Folio, Product, Evaluation						CNC Routed Tray Ongoing CATs: Design Folio, Product, Evaluation			
	3	Websites and Gaming	Game Development: Gamemaker and Python							CAT: Design and Develop a Game					Web Development					CAT: Design and Develop a Website	

YEAR 9			SEMESTER BASED ELECTIVES																			
Each period = 50 minutes	Periods per week	Subject	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18		
	3	Coding and Drones	Coding: Python and Microvit							CAT: Algorithms		Drone Coding  CAT: Folio of Drone Tasks										
There are no minimum requirements for these electives	3	Supernatural Literature	Gothic and Supernatural Literature: Intro and Origins, Tropes, Short Stories ( <i>Telltale Heart, The Yellow Wallpaper</i> )							CAT: Passage Analysis	Contemporary Texts: Film Adaptation and Analysis					CAT: Essay		Summary of Learning and Texts		CAT: Reflective Journal		
	3	Geography in our Area	Geography Concepts and Skills		Biomes			CAT		Seaford Wetlands				CAT		Food Security			CAT			
	3	History’s Fights for Freedom	Intro to Human Rights		Industrial Revolution			CAT		Colonisation and Imperialism in South Africa				CAT		Suffragettes		CAT		Film Study: <i>Forrest Gump</i>		
	3	Community Leadership Program	Leadership: Great leaders, Leadership styles and skills, self-assessment				First Aid Skills and Knowledge			CAT: First Aid		Verbal and non-verbal communication			Volunteering		Outdoor Education Skills		CAT: Practical Activities Journal			
	3	Science Extension	Biology: Control and regulation					CAT: Biology		Chemistry: Matter				CAT: Chemistry Test		Physics: Electricity				CAT: Physics EPI		
	3	Forensic Science	Contact Traces			CAT: Research Task		Casting		Blood		CAT: Blood Poster		Forgery	Soil	CAT: Media Task		Speed and Alcohol		Autopsy and Crime Scene		CAT: Logbook
	3	Science Lab Skills	Cling film	Temperature		CAT: Media Response		Eel Race Drain			Chemical Reactions					CAT: Extended Investigation				CAT: Logbook		

YEAR 10			SEMESTER 1 2025																									
Each period = 50 minutes	Periods	Subject	Step Up 1	Step Up 2	Step Up 3	1	2	3	4	5	6	7	8	9	10	1	2	3	4	5	6	7	8	9	IN CLASS EXAM REVISION	YEAR 10 EXAM PERIOD		
All students complete one Maths	5	Maths Foundation	Number												CAT	Statistics					CAT							
	5	Maths General	Univariate Data						CAT	Algebra					CAT	Linear Algebra					CAT							
	5	Maths Methods	Surds and Measurement						CAT	Linear Algebra		CAT	Probability			CAT	Linear Relations			CAT	Quadratics							
Most students complete	5	English	Film as Text: <i>The Truman Show</i>			Text Response: <i>Because of You</i>					CAT: Text Response	Persuasive Language			CAT: Charity Oral	What it means to be Human				CAT: Creative Writing								
	3	Health	Australia’s Health Care System			Reproduction			Fertility		Contraception		CAT	STIs		CAT	WEX	Sexting and Social Media		CAT								
	2	T@SK	Career Search			Agency and Goal Setting				Setting up for Success: Finances / Sleep				Preparing for Work Experience			WEX	Setting up for Success: Revision Strategies										
Selected students complete	5	Applied English	Film as Text			Text Response: Short Stories					CAT: Text Response	Persuasive Language			CAT: Charity Oral	What it means to be Human				CAT: Creative Writing								
	5	Individualised Health	Dimension s of Health	Accessing Australia’s Health Care System		Reproduction		Fertility	Contraception		CAT: Condoms	STIs		CAT: STIs	Sexting and Social Media		WEX	CAT: Sexting	Sexual Decision Making									
	5	Project Ready	Intro: Values and Norms			Goal Setting	Safe @ Work	Work Readiness <b>Module 1</b>					WHS <b>Module 2</b>					WEX	Communicate in the Workplace <b>Module 4</b> / Diversity <b>Module 5</b> / Volunteering									
Students complete 1 Humanities*	5	End of the World?	Geography Concepts and Skills				CAT: Mapping	Geographies of Human Wellbeing					CAT: Case Study			Environmental Change and Management					CAT: Report							
	5	Introductio n to Business	Economic Performance						CAT: Eco. Perf.	Microeconomics					CAT: Microeconomics			Financial Literacy			CAT: Fin Lit							
Students complete 1 Science*	5	Psychology	Introduction to Psychology		Our experiences in the world		Our amazing brain		CAT: Our amazing brain	Dreaming			CAT: Media Response	Research Methods		Experiments		Sports Psychology			CAT: Logbook							
	5	Biology	DNA			Genetics					CAT: Media Analysis	Evolution		CAT: Evolution Test	CAT: Extended Practical Investigation			Ecosystems										
	5	Chemistry	The Periodic Table			Types of Chemical Bonds			CAT: Periodic Table	Chemical Equations					CAT: Chemical Equations Test	CAT: Extended Practical Investigation (Bioplastics)				Moles and Catalysts								
	5	Physics	Speed, Distance and Acceleration			Newton’s Laws		CAT: Motion Test	Thermodynamics		CAT: EPI (Thermodynamics)			Electricity and Magnets				Light										

YEAR 10			SEMESTER 1 2025																							
Each period = 50 minutes	Periods	Subject	Step Up 1	Step Up 2	Step Up 3	1	2	3	4	5	6	7	8	9	10	1	2	3	4	5	6	7	8	9		
Year long electives	5	EXCEL Sport	Sport Coaching			Module: Provide Equipment for Activities										Module: Work Safely					Module: Conduct Sport Coaching with Foundation Level Participants					
	5	German	Revision (7-9) / Cultural focus			In Australien						CAT		Die Ferien			Berliner Luft				CAT	Feed back and revision				

\*Note these are semester long electives. Some are repeated in Semester 2.

YEAR 10			SEMESTER 2 2025																		
Each period = 50 minutes	Periods per week	Subject	Sem change over 1	Sem change over 2	1	2	3	4	5	6	7	8	9	1	2	3	4	5	6	7	
All students complete one Maths	5	Maths Foundation	Measurement											CAT	Probability			CAT	IN CLASS EXAM REVISION	YEAR 10 EXAM PERIOD	
	5	Maths General	Measurement				CAT	Bivariate Data		CAT	Financial Maths		CAT	Networks			CAT				
	5	Maths Methods	Quadratics			CAT	Trigonometry			CAT	Logs and Exponentials		CAT	Parabolas and Graphs			CAT				
Most students complete	5	English	Film as Text: <i>Blackfish</i>						CAT: Text Response	Persuasive Language			CAT: Oral Presentation	Argument Analysis			CAT: Argument Analysis				
	3	Health	Sexual Decision Making		Consent			CAT	Respectful relationships						CAT	Harms associated with pornography					
	2	T@SK	Exam review		Course Counselling			Driver Education			Bullying			Goal setting review		Exam study skills and preparation					
Selected students complete	5	Applied English	Film as Text: <i>Blackfish</i>						CAT: Text Response	Persuasive Language			CAT: Oral Presentation	Argument Analysis			CAT: Argument Analysis				
	5	Individualised Health	Consent		CAT: Consent	Respectful relationships			CAT	Impacts of pornography		Mental Health			Consumer Science / Financial Literacy						
	5	Project Ready	Course Counselling / <b>Volunteering Module 3</b>		Customer Service <b>Module 5</b> / Volunteering <b>Module 3</b>				Personal Effectiveness <b>Module 7</b> / Volunteering <b>Module 3</b>						Enterprise Skill ( <b>Additional Module</b> ) / Goal Setting Reflection						

YEAR 10			SEMESTER 2 2025																		
Each period = 50 minutes	Periods per week	Subject	Sem change over 1	Sem change over 2	1	2	3	4	5	6	7	8	9	1	2	3	4	5	6	7	
Students complete 1 Humanities*	5	Crime and Justice	Current Issues		Democracy			CAT	Courts				CAT	Criminal and Civil Law			CAT				
	5	Conflict and Crisis	Intro to and causes of WW2		World War 2					CAT: Source Analysis	CAT: WW2 Historical Inquiry		Rights and Freedoms, 1945-present			CAT: Essay					
	5	Introduction to Business	Economic Performance			CAT: Economic Performance	Microeconomics			CAT: Microeconomics	Financial Literacy			CAT: Fin Lit							
Students complete 1 Science*	5	Psychology	Introduction to Psychology		Our amazing brain		Our experiences in the world	CAT: Our amazing brain	Dreaming		CAT: Media Response	Research Methods		Experiments	Sports Psychology		CAT: Logbook				
	5	Biology	DNA		Genetics				CAT: Genetics	Evolution		CAT: Evolution	CAT: Extended Practical Investigation			Ecosystems					
	5	Chemistry	The Periodic Table		Types of Chemical Bonds			CAT: Periodic Table	Chemical Equations				CAT: Chemical Equations	CAT: Extended Practical Investigation (Bioplastics)			Moles and Catalysts				
	5	Physics	Speed, Distance, Acceleration		Newton's Laws		CAT: Motion test	Thermodynamics		CAT: EPI (Thermodynamics)		Electricity			Light						
Year long electives	5	EXCEL Sport	Module: Working in a Community Coaching Role						Module: Provide First Aid	Module: Participate in Conditioning for Sport				Module: Continuously Improve Officiating Skills and Knowledge							
	5	German	Zurück zur Natur				Party ohne Ende				CAT	Feedback and revision		Jobs, Jobs, Jobs			CAT				

\*Note these are semester long electives. Some have been repeated in Semester 1.

Most students are able to select another 4 semester long electives to complete their Year 10 Course.

For information on the Year 10 Program, please [click here](#).

Elective blocks running in Semester 1 2025 are:

- Fitness for Life
- Exploring the Menu
- Outdoor Education Studies
- Systems Engineering (Electronics)
- Product Design and Technologies (Metal)
- Product Design and Technologies (Wood)
- Physical Education
- Baker's Toolkit
- Photography
- Team Sports

Elective blocks running in Semester 2 2025 are:

- Fitness for Life
- Exploring the Menu
- Outdoor Education Studies
- Art
- Visual Communication Design
- Product Design and Technologies (Metal)
- Product Design and Technologies (Wood)
- Physical Education
- Baker's Toolkit
- Team Sports

YEAR 10			SEMESTER BASED ELECTIVES															
Each period = 50 minutes	Periods per week	Subject	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	
Students usually complete two electives of their choice each semester from this group	5	Team Sports / Fitness for Life / Physical Education SEM 1 THEORY	Musculoskeletal System			CAT: Written Test	Enablers and Barriers to Physical Activity			CAT: Investigation	Skill Acquisition			Effects of Training				IN CLASS EXAM REVISION
	5	Team Sports / Fitness for Life / Physical Education SEM 2 THEORY	Cardiorespiratory System			CAT: Written Test	Health Promotion Strategies			Biomechanics in Sports			CAT: Lab Report	Energy Systems				
	5	Outdoor Education Studies	Types of Natural Environments			Health of the Planet		CAT: Breaking Boundaries	Camp Preparation and Trangia Cooking			CAT: Camp Preparation Skills		Minimal Impact Strategies		CAT: Camp Reflection		
	5	Exploring the Menu	Food Poisoning			CAT: Food Safety and Hygiene		Factors influencing food choice	Principles of heat transfer	Cooking methods	Sustainability		CAT: Plant based vs Meat Comparison	Allergies and intolerances	CAT: Allergies and Intolerances Design			
	5	Baker’s Toolkit	Baking basics	Biscuits		CAT: Biscuit Design	Science of Baking			Sustainability: Fairtrade		CAT: Fairtrade Design		Allergies and intolerances		CAT: Gluten free vs Product Comparison		
	5	Art	Drawing	Printmaking CAT: Ongoing assessment throughout			Ceramics CAT: Ongoing assessment throughout				Painting CAT: Ongoing assessment throughout				Elements and Principles Drawing			
	5	Photography	Photoshop	Film Poster CAT: Ongoing assessment throughout				Multiplicity CAT: Ongoing assessment throughout			Mise en scene CAT: Ongoing assessment throughout				Portraiture			
	5	Visual Communication Design	Drawing conventions	Tiny House Design CAT: Ongoing assessment throughout					CAT: Design Analysis		Festival Poster CAT: Ongoing assessment throughout			Packaging Conventions				
	5	Systems Engineering (Electronics)	Arduino Output Build		CAT	Arduino Input Build		CAT	Electronic System				CAT: Electronic System					
	5	Product Design and Technologies (Metal)	Small piece of furniture Ongoing CATs: Design Folio, Product, Evaluation															
	5	Product Design and Technologies (Wood)	Cabinet Ongoing CATs: Design Folio, Product, Evaluation
